## OVERVIEW

### • TITLE

KOREA LIFE SCIENCE WEEK 2023 (KOLS WEEK)  
KOREA LAB Autumn (Korea Int'l Laboratory, Analytical Equipment and Biotechnology Exhibition)

### • DATE

11. 14(Tue.) ~ 16(Thu.) 2023

### • TIME

10:00-17:00

### • VENUE

Hall B2 (1F), COEX, KOREA

### • ORGANIZED BY

 Kyungyon Exhibition Corp.,  Science 21 Co., Ltd.

### • SUPPORTED BY

Ministry of Trade, Industry and Energy, Chungcheongbuk-do, Korea Drug Research Association, Council for Advanced Regenerative Medicine, Korea Biomedicine Industry Association, Regulatory Strategy center for Combination Product, Research Institute for Innovation Medicine, Seoul Hongneung Inopolis, Pharmaceutical Strategy Institute, etc

## PROGRAM

### ● Exhibition

- Bio · Medical · Pharma
- [KOREA LAB Autumn] Laboratory and R&D Equipment

### ● Conference / Forum / Seminar

- Advanced Regenerative Medicine Development Strategy Forum
- Pharmaceutical and Biohealth Statistics Forum
- Pharmaceutical and Bio Innovation Policy Forum

### ● IR / Technology Transaction

- Promising Bio Venture · Startup Investment Forum
- IR from Research and Development-oriented Superior Pharmaceutical and Bio Company
- Exhibitor New Technology & Product Seminar

### ● Networking

- Exhibitor – Buyer 1:1 Business Matching
- Biz-Partnering
- Global Networking Reception (KOLS Beer Party)

BioJapan

## K-BD Group Pharmaceutical and Biohealth Statistics Forum

**Subject :** Quantitative Data-Based Constraints and Bio&Tech Trends and Future Strategy

**Host :** Korea Drug Research Association, Korea National Enterprise for Clinical Trials

**Organizer :** KDRA Korea Business Development Professional's Group

**cooperative organization :** Pharmaceutical Strategy Institute, Korea Institute of Intellectual Property Promotion, Intralinks

**Date/Venue :** 11. 14(Tue.) 10:30 - 12:00 / Seminar A, Hall B2(1F), COEX

• Moderator : Heon-Je Jo (Division Director, KDRA)

TIME	PROGRAM	SPEAKER
10:30-10:35	Opening Speech	Jae-Hyun Lee, Research Chairman Sungkyunkwan University School of Pharmacy
10:35-10:40	Congratulatory Speech	Jae-Cheon Yeo, Executive Director Korea Drug Research Association
10:40-11:00	Domestic and international market trends and prospects in the pharmaceutical and bio industry	Yoon-Taek Jeong, CEO Pharmaceutical Strategy Institute
11:00-11:20	Latest trends and prospects for domestic and international clinical trials	Ryeong-Woo Kang, Center Director Korea National Enterprise for Clinical Trials
11:20-11:40	Emerging Health Industry Technologies Using Patent Classification Systems	Yeong-Hoon Song, Team Manager Korea Institute of Intellectual Property Promotion
11:40-12:00	Major trends and forecasts in domestic and international pharmaceutical-bio M&A and licensing deals	Seong-Hwan Park, Director Intralinks

## K-BD Group Pharmaceutical and Bio Innovation Policy Forum

**Subject :** Open Innovation Strategy for Securing New Modalities in Biopharmaceuticals

**Host :** Korea Drug Research Association, Sungkyunkwan University LINC 3.0 Business Group

**Organizer :** KDRA Korea Business Development Professional's Group

**Date/Venue :** 11. 14(Tue) 13:00 - 17:30 / Seminar A in the exhibition Hall B2(1F), COEX

• Moderator : Heon-Je Jo (Division Director, KDRA)

TIME	PROGRAM	SPEAKER
13:00-13:10	Opening Speech	Jae-Hyun Lee, Research Chairman Sungkyunkwan University School of Pharmacy
13:10-13:50	To Build or Not To Build – Navigating Cell and Gene Therapy Commercialization	Matthew Hewitt, Vice President Charles River Laboratories 
13:50-14:30	Research and Development in an Era of Increasing Modality and Targets	Hyo-Jin Park, principal consultant Clarivate
14:30-14:40	Break Time	
14:40-15:20	Status and Strategies of Open Innovation Viewed through Global Investment Trends	Won-Hee Cho, Representative Lawyer D'LIGHT Law Group
15:20-16:00	Case of open innovation in global company	Seung-Yup Lim, Leader Merck Life Science

16:00-16:40	Case of BridgeBio's open innovation	Jung-Gyu Lee, CEO Bridge Biotherapeutics, Inc
16:40-17:20	Trends in open innovation in domestic universities and research Institutions	Ki-Young Ko, Patent Transaction Specialist KIPA
17:20-17:30	Q&A and Closing	

## Exhibitor New Technology & Product Seminar

**Date/Venue :** 11.14(Tue.) 10:00-14:50 / Seminar B, Hall B2(1F), COEX

TIME	PROGRAM	EXHIBITOR
10:00-10:50	Introduction of Lonza Cocoon® Platform	Young Sciences, Inc.
11:00-11:50	Current trends in Pyrogen & Endotoxin testing	Young Sciences, Inc.
13:00-13:50	Innovation in Bio Industry and Introduction to NCK	The Embassy of Denmark <span style="background-color: #2e7d32; color: white; padding: 2px;">ENGLISH</span>
14:00-14:50	Chromatography Challenge and Solution relating to Lab to Process Scale Up	B2BIO, Inc

11/15 (Wed.)

## The 4<sup>th</sup> Advanced Regenerative Medicine Development Strategy Forum

**Subject :** Innovation in the bio industry that opens a new generation : Advanced Regenerative Medicine

**Host :** CARM(Council for Advanced Regenerative Medicine), Kyungyon Exhibition Corp.

**Date/Venue :** 11. 15(Wed.) 10:20 - 17:00 / Seminar A, Hall B2(1F), COEX

• Moderator : Kyoung-hwan Roh (Managing Director, Kangstem Biotech)

TIME	PROGRAM	SPEAKER
10:00-10:20	Registration	
10:20-10:30	Welcome speech	Kyung-sun Kang, Chairman Council for Advanced Regenerative Medicine
[SPECIAL LECTURE]		
10:30-11:00	Legal understanding of administration of autologous advanced biopharmaceuticals	Tong-kuk Lee, Attorney Dongin Law
<span style="background-color: #0070c0; color: white; padding: 2px;">Session 1</span> <b>Advanced regenerative medicine clinical research application examples</b> Session Chairman : So-ra Park, President (Regenerative Medicine Acceleration Foundation)		
11:00-11:30	Development of transgenic mesenchymal stem cells and research on glioblastoma treatment	Hae-young Suh, Ph.D., CEO CELLeBRAIN
11:30-12:00	Activation of advanced regenerative medicine using organoid technology	Kyung-jin Lee, CTO ORGANOIDSCIENCES
12:00-13:30	Lunch Time	

**Session 2 The present and future of exosome therapy**

Session Chairman : Kyu-heum Na, Ph.D., CEO (PRIMORIS Therapeutics),  
Ji-sook Moon, Ph.D., Associate Professor (Dep. of Biotechnology, CHA University)

13:30-14:00	Exosome-based therapeutics : challenges and opportunities for commercialization	Gi-hoon Nam, MD., Ph.D., CEO ShiftBIO
14:00-14:30	Advances in therapeutic applications of extracellular vesicles	Han-hang Kim, M.D., Ph.D., Associate Professor Dep. of Internal Medicine, Yonsei University College of Medicine
14:30-15:00	BioDrone™ : Smart Drug Delivery Platform Based on Cell-Derived Vesicles	Sung-soo Park, Managing Director Mdimune
15:00-15:20	Break Time	

**Session 3 CAR Technology: CAR - immune cell therapy era**

Session Chairman : Yu-kyeong Hwang, President/Consultant (YUYA Bio consulting), Han-lim Moon, CEO (Medirama)

15:20-15:50	CAR-T Therapy in AbClon	Jong-Seo Lee, Ph.D., CEO AbClon
15:50-16:20	Introduction to development of solid tumor target CAR-NK	Ho-yong Lim, Ph.D., Head of Discovery Unit GC Cell
16:20-16:50	A game changer in solid tumor treatment : Research and clinical trends in CAR-M cell therapy	Hee-ho Park, Ph.D., Associate Professor Dep. of Bioengineering, College of Engineering, Hanyang University
16:50-17:00	Closing	

## Exhibitor New Technology & Product Seminar

Date/Venue : 11.15(Wed.) 10:00-17:00 / Seminar B, Hall B2(1F), COEX

TIME	PROGRAM	EXHIBITOR
10:10-10:40	Integrated Platforms to Accelerate mRNA Resarch	Genscript Biotech Korea Ltd.
11:00-11:50	The Life Science Ecosystem of Flanders, Belgium	FLANDERS INVESTMENT AND TRADE, EMBASSY OF BELGIUM
13:00-13:50	Honeywell PHARMA & BIOPHARMA WORKFLOW SOLUTIONS CAMPAIGN	Honeywell PMT Korea Ltd.
14:00-14:30	Singapore's Health Technologies Innovation Ecosystem	Singapore Health Technologies Consortium 
14:30-15:00	Co11ab and BioMedtech ecosystem in Singapore	Co11ab 
15:00-15:50	The world's first dementia-specific AI-based digital carbon nanotube-using dementia treatment system	READYCURE Inc.
16:00-16:50	TR-FRET-based assay for Drug screening and development	JCBIO

11/16 (Thu.)

## K-BD Group Promising Bio Venture · Startup Investment Forum

**Host :** Korea Drug Research Association, KOREA UNIVERSITY LINK 3.0 Business Group

**Organizer :** KDRA Korea Business Development Professional's Group, Korea Bio-Health Investment consortium

**Cooperative organization :** KOREA UNIVERSITY Medical Technology Holdings, Daekyung Techonology Holdings Co., Ltd, Ajou University Technology Holdings, N4U TECH HOLDINGS INC., Youngnam University Technology Holdings CO., Ltd, EHWA WOMANS UNIVERSITY MOKDONG HOSPITAL ER Bio Core Center, Korea Research Institute of bioscience and biotechnology

**Date/Venue :** 11. 16(Thu.) 10:20 - 16:00 / Seminar A, Hall B2(1F), COEX

• Moderator : Heon-Je Jo (Division Director, KDRA)

TIME	PROGRAM	SPEAKER
10:20-10:30	Opening Speech	Jae-Hyun Lee, Research Chairman Sungkyunkwan University School of Pharmacy
<b>Session 1 Introducing Item and feedback</b> Session Chairman : Won-Tae Jeong, Vice President (KOREA UNITED PHARM. INC)		
10:30-10:45	SMDC-Based Antibiotics and Anticancer Agents (Novel Anticancer Agents Targeting Mitochondrial Membrane Potential in Cancer Cells)	Jong-Seung Kim, CEO THERANO CHEM INC
10:45-11:00	Platform-Based Peptide Antibiotics and Bacterial Diagnostic Kits Development	Young-Do Yoo, CEO/ So-Ra Lee, Team Manager ANDANTE FM INC.
11:00-11:15	Up-Cycling of agricultural by-products : Functional materialization	Ki-Dong Han, CEO MFST INC.
11:15-11:30	Digital Olfactory Disorder Diagnostic Device	Hae-ryong, CEO Digital Scent INC
11:30-11:45	MEDI-EYE (Development of electronic medicine based on PBM [Photo-Bio-Modulation] to treat eye diseases)	Seung-bin Baek, CSO MEDI IOT INC
11:45-12:00	Artificial intelligence new drug target search (new drug re-creation solution KnockG)	Tae-hyung Kim, Co-founder SilicoPharm. Inc
12:00-13:30	Lunch Time	
<b>Session 2 Introducing Item and feedback</b> Session Chairman : Yoon-Taek Jeong, CEO (Pharmaceutical Strategy Institute )		
13:30-13:45	Production Method of Non-Cellular Dermal Substrate Using Natural Surfactants	Hyung-Seok Lee, CEO ERAE TECH INC
13:45-14:00	Cell Therapy Product Development Based on a 3D Cell Culture System and High-Density Suspension Cell Culture Technology	Jong-Young Kwak, CEO Nanofaentech INC
14:00-14:15	Development of Low Molecular Weight Drugs from Microbes Using Synthetic Biology	Yoon-Jin Oh, Executive Managing Director Molgenbio .INC

14:15-14:30	Platform Technology Development for Cancer Treatment and Metastasis Inhibition Using Novel Anti-Cancer Compounds	Heon Soo Lee, CEO BIOMEDIGEN INC
14:30-14:45	Markerless Medical AR guide Solution (3D Medical Imaging AR Solution)	Jong-myeong Lee, CEO SKIA INC
14:45-14:55	Break Time	
14:55-15:10	Next-Generation Innovative Monoclonal Antibody Therapy for Rare Solid Tumors: TME Reprogramer	So-Hee Choi, CEO Ateon Bio .INC
15:10-15:25	Drug Development and Preclinical Research Services for Inflammatory Bowel Diseases Using Disease-Centric Drug Development Platform	Hyun-Bae Kang, Research Director HealinnoLS Inc
15:25-15:40	First-in-Class Synthetic Drug Development for Chordoma and Rare Brain Diseases	In-Deok Jeong, CEO Astrion Inc.
15:40-15:55	World-Class Multi-Target Therapy for Dementia	Sang-Rae Lee, CEO KAISER BIO INC.
15:55-16:00	Closing	

## IR from Research and Development-oriented Superior Pharmaceutical and Bio Company

**Host :** Korea Drug Research Association
